SOFT SKILLS

- Fast learner
- Problem-solving
- Teamwork
- Communication
- Time management

PROFILE

I'm a final-year IT student looking for an internship or entry-level position to gain practical experience and improve my skills. I'm willing to learn, comfortable working with others or independently, and adaptable to new tasks. I'm looking forward to applying what I've learned and growing through real work experience.

ACADEMIC PROJECTS

E-Book Rental System

Tech: HTML, CSS, JavaScript, PHP, MySQL

- Developed a web application for users to browse, search, rent, and read e-books online with admin features for managing books and rentals.

RoomiFinder - Roommate & Rental Finder

Tech: HTML, CSS, JavaScript, PHP, MySQL

- Developed a room-finding website where users can search and filter available rooms, view room details

Event Ticket Booking

Tech: React.js, JavaScript, HTML, CSS

- Created a web application where users can browse events, view details, and book tickets online, with features for admins to manage events and bookings.

Book Store System

Tech: HTML, CSS, JavaScript, PHP, MySQL

- An online bookstore where users can browse books, add them to a cart, and place orders. Admins can manage books and orders.
